DARCIE DOLCE & AUGUST AMES

Darcie and August are natural girl friends, bred to be sex vixens. They're taking the day to share their private day. We think it's time to turn the cameras on. It seems like these two got in a whole lot of practice. Tongues and fingers penetrating wet pussies. We have to admit, this is as hot a fuck session we've seen in a long time. It's like playtime without guys. Is that even hotter? We think so.

NICOLE ANISTON

I get constant attention from all the boys. Even the ones that are married will stop and stare at me when I walk down the street. Sorry ladies, it's not my fault. My body is so smokin' hot that I love to show it off. Sometimes I tear all my clothes off in the middle of the day for no reason! I get a tingling sensation take over, and I know that I just gotta get naked no matter what.

LIZZ TAYLER

I think I have one of the prettiest pussies in Texas, or at least that's what all of my boyfriends and girlfriends have said. And who am I to argue with them. All I know is that it feels so good when I touch it, and I touch it a lot. There's a special way I do it to myself that I can make me cum in under 30 seconds. That's my personal best! But today, I'm getting a little help from friend Tommy. He thinks he can make me cum faster than 30 seconds. I highly doubt it, but we're sure gonna try!

Playing the Blonde

How playing a slut saved my marriage

When the part of Mandy, a sexy blonde hooker from Atlanta, came up for grabs in the next local stage production, I jumped at the chance to play her. I was tired of being the girl-next-door type—both at home and on the stage.

I told my husband Mike about the play, but I decided that it might be fun to save the news that I was playing a prostitute until he saw me under the bright lights on opening night.

Every time during rehearsals that I took the stage as Mandy, the other actors found it hilarious. After all, I was the all-American girl. With my brownish-red ponytail and freckles, I looked more like a cheerleader than a hooker! Their laughter made me more determined than ever to pull it off.

I searched through the wardrobe room for a costume for Mandy, but couldn't find anything sexy enough. So I went shopping, and came home and dumped my purchases on the bed. I had felt foolish buying those outlandish clothes, but I felt a rush of excitement as I stripped to try on Mandy's outfit.

I started with a platinum-blond wig, then I strapped on the lacy garter belt. I had never worn anything but pantyhose, and it took me a few minutes to figure out how to fasten the sheer nylons to it.

If I was ever going to pull this charade off, I had to feel as sexy as I looked; so I pulled on the slinky red satin dress without any underwear. I completed Mandy's costume with a pair of strappy high heels. When I looked in the full length mirror, I gasped out loud. I really was Mandy! The all-American girl had been replaced by a gorgeous, even slightly slutty-looking, blonde sexpot!

I liked the way the short dress hugged my body. The top was cut so low that my unsupported breasts were bare almost to the tops of my pink nipples. The four-inch spikes gave my legs more shape than I ever knew they had. And

when I sat on the edge of the bed, the slit in the front of the dress fell open to expose my creamy thighs to within an inch of decency.

I felt my nipples hardening and a warm dampness spreading between my legs as I giggled at the sexy blonde stranger in the mirror. I even found myself starting to walk like Mandy would—with a slight, yet very provocative wiggle—as I went into the living room and fixed myself a strong martini. I never drank at home, but I knew that Mandy would.

I flicked on the voice recorder and recited my lines. When I played it back I couldn't believe my ears. It was Mandy speaking! My distinct New England accent had been replaced with a flirtatious, slightly southern drawl. Mandy had turned into a flesh-and-blood woman!

As it turned out, Mandy knocked out the other cast members at dress rehearsal. The guys were so busy staring at me that they were forgetting their lines!

Opening night finally arrived. I stood nervously in the dressing room and peeled off my top and jeans, then my bra and panties. I could feel the sexy blonde taking over my mind and body as I put on the garter belt and smoothed the shiny nylons over my legs. I stepped into the stiletto heels and smilingly appraised Mandy's perfect frame in the mirror, before pulling the skintight dress over my tingling nipples. I blew a kiss to the blonde girl in the mirror and walked confidently and sexily toward the stage.

The audience fell in love with Mandy. After the show, the backstage area was swarming with well-wishers who wanted a closer look at the blonde call girl. I looked through the crowd of anxious men who

were undressing me with their eyes, but I couldn't see Mike anywhere. I was beginning to wonder if my husband had bothered to even show up. Then I heard a familiar voice behind me and turned to see him standing over my shoulder.

It was obvious that Mike liked Mandy a lot! There was a huge bulge in the front of his pants; his eyes were practically popping out of their sockets as they swept over my body, from my pink toenails to my silver blonde wig. He hadn't looked at me with so much obvious desire in years!

"Let's get out of here," he whispered. "I've got a booth reserved over at The Green Door. We'll have a few drinks to celebrate your performance."

"Okay, honey," I cooed in my Mandy voice, "I do feel like I'm on display here."

"Well, you certainly have a lot to display," Mike smiled. I noticed a gleam in his eyes that I had almost forgotten. When we got into the car and I started to take off the wig, Mike begged me to leave it on. Then he said, "Would it be okay if I call you Mandy tonight? And why don't you keep the accent for a few more hours..."

Mike was so turned on that I decided to play along with him. Besides, my pussy was getting very wet and my nipples were burning with excitement. My husband was definitely a different person at The Green Door with Mandy, than he was at home with me. It was if the girlnext-door me didn't exist. He was trying to pick up a sexy platinum blonde named Mandy and he seemed very sure that he would be successful as he plied me with drinks.

Mike slipped one arm around my shoulder and his other hand was sliding up my slippery nylon-clad thigh, toying with the sensitive skin above my stockings. His mouth covered mine and his tongue darted between my lips. I hadn't been kissed like that in a long, long time. Then his hand inched higher up my thigh and my legs

parted, as his fingers slid into my slick bare cunt lips.

I couldn't believe that Mike, the guy who was too shy to kiss me goodbye when I dropped him off in front of his office, was finger-fucking me in a crowded cocktail lounge! The other drinkers were twisting in their seats to get a better look at us. A guy in the booth next to us practically fell on the floor when he leaned out in the aisle and saw my gaping pussy.

When Mike's hand dropped under the neckline of my dress and started teasing my sensitive nipples, I thought I would explode. I shivered when his finger touched my swollen clit and whispered into his ear, unconsciously slipping into Mandy's sexy drawl, "Maybe we'd better go get a motel room before we get thrown out of here. Would you like to come along and keep a lonely girl company?"

Mike laughed as he pinched my nipple between his thumb and forefinger, "I don't know. I am married, you know."

I gave his throbbing prick one last squeeze and smiled, "Well, honey, if you think your goody-two-shoes wife can show you a better time than Mandy can, you go right ahead on home." I slid out of the booth and walked out of the bar, as a hundred admiring eyes watched every stride of my long legs and every jiggle of my braless boobs. When I turned around at the door, Mike was following me like a little puppy.

We were all over each other during the short drive to the motel. By the time we pulled into the parking lot, my tits were hanging out of my dress and Mike's cock was being smothered with hot, wet kisses.

The college-aged kid working the desk stared at me in open-mouthed lust as I inquired about a room. When I signed Mandy's name to the regis

ter, I leaned over just a little more than necessary, and my tits nearly tumbled out into full view. The kid hurriedly sat down in a vain attempt to hide his straining hard-on.

Before I even had the key all the way into the door, my dress was in a pile around my high heels and Mike was kissing my neck and fondling my bare tits and ass. I reached down to scoop up my dress just as my husband swept me into his arms and carried me to the king-sized bed, slamming the door behind us.

While Mike struggled with his pants and shoes, I reached down and touched my soaking wet pussy, stroking my finger up and down my slick and swollen slit. I pinched and rolled my big pink nipples into hard rubbery points as I waited for my husband to caress and suck them. The beautiful cock that I had grown to love so much was already at stiff attention as he climbed onto the bed beside me.

"I've always had this thing about Southern blondes," he whispered, as his hand dipped between my legs and started massaging my aching cunt. His lips trailed long hot kisses down over my breasts, his tongue flicking my nipples back and forth as I moaned in pleasure.

Then Mike was pushing his manhood into me. I wrapped my long legs around him and dug my high heels into his ass as I raised my cunt to meet his long hard thrusts. It seemed as if my husband's cock had grown to new dimensions as he fucked the tarnished Southern belle named Mandy.

The pressure on my clit was almost unbearable as he drove in and out. Just when I thought I was going to cum, Mike pulled out of me and climbed up over my chest, his shiny cock dangling over my rouged lips. I licked around his swollen head and then slowly sucked him into my mouth, swirling my tongue around his hard flesh as I reached up and caressed and squeezed his

heavy balls.

I had never really liked to suck cock, but Mandy loved it. I relaxed my throat muscles and took him all the way in as he erupted with a flood of hot bittersweet cum that filled my mouth and dribbled over my scarlet lips. I (or was it Mandy?) sexily wiped my husband's sticky jism from my chin and licked my fingers clean as Mike collapsed beside me.

"Not so quick," I moaned, and pushed his face down into my pussy. His tongue slid easily into my slit. It had been so long since Mike had gone down on me that it was like a whole new experience for me. But I loved the sweet and torrid feeling spreading over my whole body. I tightened my smooth thighs around his head until Mike was fighting for breath. I arched my hips to meet his tongue's thrusts and soon I was gasping in ecstatic release.

"God!" his muffled and exhausted voice came from between my legs. "You sure could teach my wife thing or two!"

Since that night, our sex life has improved a hundred and fifty percent. It's mainly because Mandy comes back to town to visit about once a month. The Southern slut phones Mike at his office on Friday afternoon and tells him which motel she's at. Then Mandy goes back in hiding until Mike starts acting bored with life and I bring her out of closet.

As a matter of fact, Mike and I have been spending so much time satisfying each other's bodies, that I really haven't had much time for theater group. But they are holding tryouts next week for Cat on A Hot Tin Roof.

I wonder if my husband would like to meet a sultry Southern brunette named Maggie...

Sometimes I just don't feel like fucking a dude. They can be too much to deal with. And I gotta get all dressed up and look pretty, and act proper. Sometimes that's just not me. I like to roll with it, even if 'it' is me. I have a small collection of vibrators, and most girls do, or should. To-day is my fat purple one. It's one of my faves!
